THE WEST AFRICA DECENTRALIZED ALLIANCE (WADA) TEAM HAS CREATED A WINNING CATALYST PROPOSAL FOR FUND 4 IN THE CHALLENGE CATEGORY PROPOSER OUTREACH.

“HOW CAN WE ENCOURAGE ENTREPRENEURS FROM OUTSIDE THE CARDANO ECOSYSTEM TO SUBMIT PROPOSALS TO CATALYST IN THE NEXT TWO FUNDS?”

The WADA Team is having a Catalyst Conference on August 28th & 29th, 2 pm - 6 pm (UTC).

The event will be hosted by Josh F - WADA Global Lead, MercyA1 - WADA Comms Lead and Vincent K - Smart-chain.fr Consultant.

WADA's 2-Day Virtual Event includes guest speakers, project proposals, interviews, live Q&A, and two 1-hour webinar workshops in French, English, and Vietnamese.

The event will successfully reach bright entrepreneurs, and specialized firms from within West Africa and the wider diaspora, teaching them about Project Catalyst and assisting them in the process of submitting high-impact Catalyst Proposals.
